## Gospel Definitions

We are commanded to preach it. We see that we must live it. We have been commissioned to spread it. What is the gospel? Over the next few weeks, we will feature gospel definitions for your edification. Today...

“God is the ultimate musician. His music transforms your life. The notes of redemption rearrange your heart and restore your life. His songs of forgiveness, grace, reconciliation, truth, hope, sovereignty, and love give you back your humanity and restore your identity.”
