What happened at the Alley? By K.J.

Devon Berry has been looking a little shaky lately. His follow-through technique just has not worked for him. Devon steps up to the lane. He needs a strike to win. He looks a little nervous but he takes a deep breath and studies the ten pins that separate him from the win. He begins and rolls the ball. O! Not a good roll. It looks like it's going straight to the gutt- wait! No! It's curving! It's curving! The ball hits the pins and strike! Devon Berry

wins the PBA championship!.....

Ok. I guess that our last youth event wasn't that dramatic, but it sure was fun! Friday April, 14th, which was Good Friday, the youth went bowling at Poelking Lanes. It was great to enjoy each other's company and also have a little friendly bowling competition as well.

That night there was a very severe storm that hit but no one knew about it because

the loud clanking of pins blended in. I also believe no one noticed because of the good time they were having. The bowling event showed a great example of sportsmanship and just spending time with each other and getting to know each other.

The next event will occur on Friday, May 12th which is a bonfire at the Surl's. It starts at 7pm.

3D Kickball Recap

As part of our second Extended Sunday get-together, youth team leader Kelly Stasko suggested the great game of 3D kickball. Many of us probably didn't know this game even existed. With 3 people kicking at the same time, **9 outs** needed, and **no break** in play, it made for a fairly chaotic, **but FUN**, game of kickball!

There were many CCOYM youth that demonstrated a love for competition during this game. And there are always those who prefer to

stay out of the line of action and preserve their life rather than risk it diving for a pop fly. © All in all, there were many words of encouragement being shouted... along with the occasional, "**YOU'RE OUT!!!!**"

Following this workout, we moved the pizza and snacks inside to avoid the rain. Due to a constraint on space that evening, we shoved into the middle nursery... all 30+ of us! We enjoyed Papa John's pizza, a yummy chocolate cake made by Kaity Berger, and

some amazing cookies brought by Mackenzie Frye.

Jonathan Cooper wrapped up the evening with a talk on competition. It was a great way to reflect on how we treated each other during kickball, as well as how we compete in other areas of our life.

We hope to see you back at the next extended Sunday on May 28th. We'll have a dunk tank - it will cost you one quarter to see Jonathan Zemmer go under! ©
