

Counseling Training is now offered in three modules: Fundamentals (Basics), Advanced, and Specializations

The Fundamentals Module

includes the Basic Training Course. This course is designed to lay the foundation for counseling people biblically. It will help you reach out to those hurting around you, influence others for the glory of God, and be more effective in your personal ministry. This course is required to obtain ACBC Certification.

The Advanced Modules

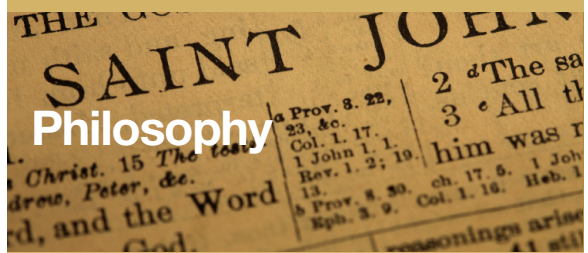

are designed to equip people to help themselves and others who are overcome with particularly challenging issues of life. They give advanced, focused instruction and interaction over topics of spiritual growth, issues of sin, counseling philosophy and practice.

Specializations

The Marriage Counseling Specialization Course is offered in the Fall and covers various advanced topics including conflict resolution, dealing with sexual issues, ministry to blended families, interaction with extended family, family worship, premarital counseling, and more. This course fulfills the 15 hours of instruction in preparation of the ACBC Marriage Specialization Certification Exam.

Reconciliation Specialization Course offering to be announced. Call or email the church for more information on these specializations.

The Counseling Ministry of Clearcreek Chapel is dedicated to the total sufficiency of the Word of God in counseling. It is our conviction that God has not just provided some of the answers, He has provided all of the answers for the non-organic problems of man in His Word. (2 Peter 1:3).

These courses teach truths and lessons we have learned from God's Word and how to help people grow and change through a Bible-centered, Spirit-filled, disciplined life of godliness (1 Timothy 4:7). We are committed to promoting excellence in Biblical discipleship and counseling within the church.

Rethinking the Issue of Abuse

February 16, 9:00am-12:00pm

In the swirling winds of culture, concern and hurting people, how can we stay true to the Scriptures? This seminar will challenge many commonly accepted terms and notions about abuse. How do we define it? What does the Scripture actually say about it? How are Christians to respond if in it? How do we both comfort and challenge the sufferer? How do we not simply adopt the world's views? Where has counseling tended to be sub-Biblical or extra-Biblical? How much do cultural and psychological conditions and concerns actually inform us? Come prepared to be challenged.

A Case Study Workshop

March 16, 9:00am-12:00pm

In this workshop, we will spend the morning working through case studies together. We will have at least two ACBC certified counselors leading as we walk through multiple case studies on various counseling issues together. This is a highly requested, participatory workshop.

Counseling from Proverbs

April 13, 9:00am-12:00pm

This workshop is an expositional study of the book of Proverbs with its special relevance to counseling. Meaning well, many Christians have misused Proverbs to their own personal detriment as well as the detriment of the people they have ministered to. In this seminar, we will examine the book while paying careful attention to good hermeneutics.

Lectures in the Doctrine of Pneumatology

May 18, 9:00am-12:00pm

How does the Holy Spirit guide His people? How should Christians make decisions? This session explores a common way that many believers make decisions and proposes a more biblical way of decision-making for the glory of God. What does it mean to walk in the Spirit? Many strange ideas circulate about this important aspect of our progressive sanctification/transformation. This session takes us out of the "twilight zone" theology so that we have a more biblical understanding of how to walk in the Spirit.
