His Word in My Heart

Kettering Home

Thur. 6:15pm

Do you want help memorizing Scripture amid the busyness of life? *His Word in My Heart* is a book on how to memorize Scripture. Rather than memorizing random scattered verses with fragmented truth, try memorizing sequential verses in their contexts, achieving a more accurate and complete picture of God.

The author Janet Pope reveals how she trained herself to incorporate Scripture memorization into her daily routine. We will learn practical tips and strategies to enable you to start memorizing God's Word today. This group is for you if you hunger for God and want to discipline your mind and trade your thoughts for His.
